*Rental Mats That Look Like Expensive Area Rugs.*

With the look of area rugs and the various sizes available (3' x 5', 4' x 6', 3' x 10', 5' x 8' and 6' x 12'), you can provide the floor protection that your customers need, along with the appearance that they demand! Because all of the sizes have similar patterns, you can coordinate this area rug image throughout your customers' facilities. These mats are perfect for restaurants, health care facilities, hotels, resorts, banks, country clubs, malls, and beautifully decorated offices.
