

# PATRIOTIC THEME MATS

In response to a multitude of customer requests, Mountville Mills is proud to feature some of our most patriotic designs. Pulled directly from our archives, these designs beautifully capture our nation's spirit.

The tragic events of September 11, 2001 will forever be etched in our minds. With reverence and humility, we offer these mats as a tribute to those who lost their lives and to the courageous efforts of the rescue workers.

May these mats remind us not only of these tragedies, but also of what our great nation stands for - liberty, freedom and justice. Display your country's colors!

Available in size 3' x 5' or 4' x 6'
