

INTRODUCING...

SUCTION BACKED™ MATS

Reduce the high cost* of Slip and Fall Accidents with Suction Backed** Mats. These mats stay in place on smooth surface floors, making them ideal for Supermarkets, Health Care Facilities and any other building with smooth floors. Even when carts and buggies are rolled across Suction Backed Mats, the mats stay in place.

In addition, Suction Backed Mats feature a soil and moisture grabbing nylon carpet that provides a cleaner, safer floor for your customers and employees. All of this adds up to **saving you money!**

* The average cost of a Slip and Fall accident exceeds \$12,000. (Wausau Insurance Company) ** Patent Pending
