

Work to save you time and money

- Reduce Cleaning Costs
- Minimize safety hazards
from wet floors
- Promote your company's
image

How the Service Works

- No investment! Our rental program provides a flexible weekly service designed to meet your needs.
- These mats are leased to you and replaced with a clean and sanitized mat on a weekly basis.
- Our sales representative will survey your needs and select the correct mat for high traffic areas, while blending style and colors with your decor.
